SIR,

SUBJECT - ACQUISITION OF SITE NO.21 IN CLARKSPET, "C" STREET, CIVIL STATION, BANGALORE FOR KEEPING IT AS A LUNG SPACE.

--oOo--

With reference to the above, I write to state that the preliminary notification No.L.11803/C. M. 6-50-51 dated 10th February 1951 (copy enclosed) was published in the Gazette dated 15th February 1951. Thereon a notice under Section 4 Land Acquisition Act was issued to the owner of the property calling for objections under Section 5 (A) Land Acquisition Act In response Sri T.Srinivasan filed an objection petition on 24th March 1951 against the proposed acquisition thereby stating that the acquisition of the said site was neither necessary for the intended purpose nor beneficials and if the same were to be acquired and kept vacant, it would render the surroundings very unhealthy etc

On the objections received the land was inspected by the Ex. Commissioner on 7th May 1951 inpresence of the owner and found that there was no necessity for a lung space in the said area, hence the proposed acquisition was un-necessary. Accordingly an office note to drop the acquisition proceedings was placed before the Standing Committee (Town Planning & Improvements) held

held on 26th June 1951 for consideration and it was resolved as follows -

RESOLUTION - "Resolved that the Commissioner's note dated 31st May 1951 be approved and that the party shall also make proper provision for the window of the neighbouring house by leaving 3 feet at the side It is further resolved that the licensing authority shall have due regard to this condition"

A copy of the said resolution is herein enclosed for favour of kind reference.

In the above circumstances, I request that orders Government may kindly be obtained for dropping of the uisition proceedings on the said property and to communicate the same early

Forwarded with compliments

MAYOR

Yours faithfully,

COMMISSIONER
